

# Hinge Guard

## Closures

MRP's **Hinge Guard Closures** offer an innovative solution by merging secure, tamper-evident packaging with the ease of dispensing pills, whether they are large or small. These closures are designed to ensure the safety and integrity of the contents, providing peace of mind to consumers by preventing unauthorized access or tampering prior to purchase. The one-piece design is also efficient on production lines, featuring no detachable parts.

The combination of security and convenience makes Hinge Guard Closures an ideal choice for those seeking reliable and efficient packaging solutions for their products.
